

STORMWATER SCOPING STUDY FOR GATES POND ROAD PROJECT KICKOFF MEETING

The Town of Whitingham and the Windham Regional Commission are exploring options for addressing **stormwater issues along Gates Pond Road** between the intersections of Reed Hill Road and Route 100.

At this meeting we will share what we know and **learn more about what residents know.**

Public feedback is important to the success of this project, particularly from **residents along Gates Pond Road.**

We hope to see you there!

April 30, 2026

5:30 pm - 6:30 pm

Location

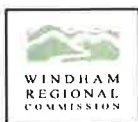

Whitingham Municipal Center
2948 VT RT 100, Dining Hall
