

Whitingham & Halifax Historical Society's present a  
**HISTORY OF THE HARRIMAN DAM & RESERVOIR**

**OCTOBER 16, 2019 at 7 PM**

**Whitingham Municipal Center at 2948 VT Rte. 100**

Matt Cole from the Great River Hydro (current owners of the dam) will show pictures made from Bob Coombs' slide collection of the Harriman Dam as it was being built in the 1920's, it was the largest earthen dam in the world at the time.

Refreshments of cider & donuts will be provided.
