Discuss potential zoning violations

After some discussion, the board requested that a letter be sent to Chris Roberts regarding the decks added to the container structure on Tyanoga. The decks were not included on the original permit. Gig to ask Howard to measure the height of the structure now.

They would also like a letter sent regarding the ZBA condition to install a fence around the dumpster(s) at the general store.

A barn on Faulkner Road has an approved permit, but it was approved in error with an insufficient front setback. Nothing further to do on this topic.

Continue discussing changes/updated needed to Town Plan

Commissioners to read and be prepared to have a hardy discussion at next meeting.
