The Whitingham transfer station

Town awarded grant for waste reduction

WHITINGHAM - The town of Whitingham was awarded a \$3,000 SWIP grant from the Vermont Agency of Natural Resources to help the town continue with the waste reduction goals in its Solid Waste Implementation Plan (SWIP).

The town of Whitingham hosts household hazardous waste collection events in the spring and fall each year. For specific dates, look for fliers or visit the town web-

site, <http://www.whitinghamvt.org/TownDepartments/transfer-station>.

Visit the town of Whitingham's website to view their SWIP and to find answers to recycling and proper disposal questions. The A to Z guide is a very helpful quick reference guide to a large variety of wastes and how to dispose of them properly. Contact Gig Zboray at (802) 368-7500 or gig@whitinghamvt.org for further questions.
